RE: **FEDERAL FUNDING FOR TRAILS**

---

The National Trails Coalition (NTC) received a \$25 million dollar investment from the Government of Canada in *Budget 2009: Canada's Economic Action Plan*. These federal dollars must be matched by cash contributions from NTC member organizations or their partners which can include local government. There is \$3 million available to BC in three trail envelopes:

- non-motorized trails;
- motorized summer trails; and
- motorized winter trails.

The application deadline for a trail grant under this program is **June 26, 2009**.

The application form, guidelines for completing grant application, and further background are available at the NTC website:  
[www.ntc-canada.ca](http://www.ntc-canada.ca)

The application needs to be submitted to the BC regional trails coordinator (RTC) at: [rtcbc@ntc-canada.ca](mailto:rtcbc@ntc-canada.ca). The RTC can also be contacted at that e-mail or 250-474-7720 or for any questions please contact:
