UBCM, on behalf of the Licence Inspectors’ and Bylaw Officers’ Association of British Columbia (LIBOA), is forwarding an advance copy of a report entitled “Bylaw Enforcement Officer Program Review” prepared for the Justice and Public Safety Division of the Justice Institute of British Columbia (JIBC).

The report was completed on behalf of LIBOA and the study looks at the challenges and risks facing bylaw enforcement officers. The review is intended to provide a basis for ongoing discussion on what actions might be taken to promote uniform licensing regulations and bylaw enforcement throughout British Columbia.

Attached is a copy of a letter from the LIBOA outlining the process and an advance copy of the report for your review.

If you have any questions regarding the report please contact Jon Wilson, President, LIBOA at 250-828-3309.
