Prepared BC Extreme Heat Preparedness Guide

- Available for your community members
- Focus is helping people understand the risks of extreme heat, how to prepare their residences for extreme heat, and how to cope once temperatures rise.
- Available in hardcopy or by download from www.PreparedBC.ca.

EMBC Financial Supports

- When do supports kick in:
 - Declared Extreme Heat Emergency
 - Forecasted Extreme Heat Emergency
 - Heat Warning where actions are taken as outlined in HARS.

Eligible Expenses

- First Nation or Local Authority
 - Bottled Water for cooling centres
 - Staff overtime or temporary staff to run cooling centres
 - Rental of non owned facilities
 - Transportation to and from cooling centre for places where no public transportation exists
 - Incremental costs to fire services responding to increased heat related medical calls
 - Amplifying ECCC or HEMBC messaging costs

Eligible Expenses

- First Nation or Local Authority
 - Community Navigators to connect community members with supports from FNHA, ISC or FNESS
 - Culturally appropriate services at cooling centres
 - Gathering space at cooling centre
 - Cooling device rentals
 - Incremental utilities
 - Snacks at day and night cooling facilities (not meals)

Process

1. Determine response needs in your community
2. Call the ECC for a task number if you plan to activate your EOC.
3. Are your response actions potentially eligible for reimbursement?
 - Submit Expense Authorization Forms for consideration
