

Event App: How to Create and Edit an Account

1. Open the Event App and login with the email address you used to register for the event.

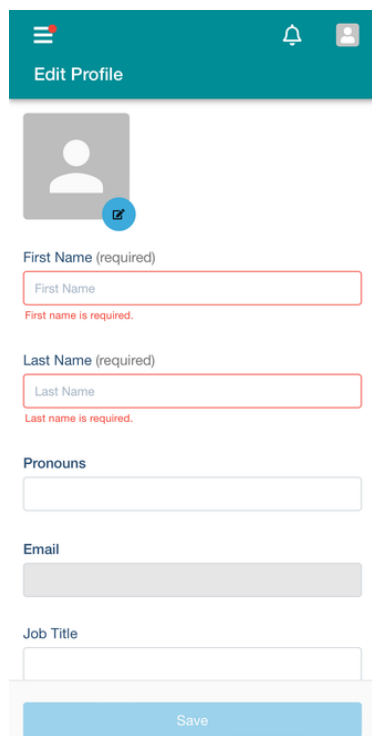

2. Click the Profile Icon in top-right corner

3. Click the Edit Profile button to see your profile page.

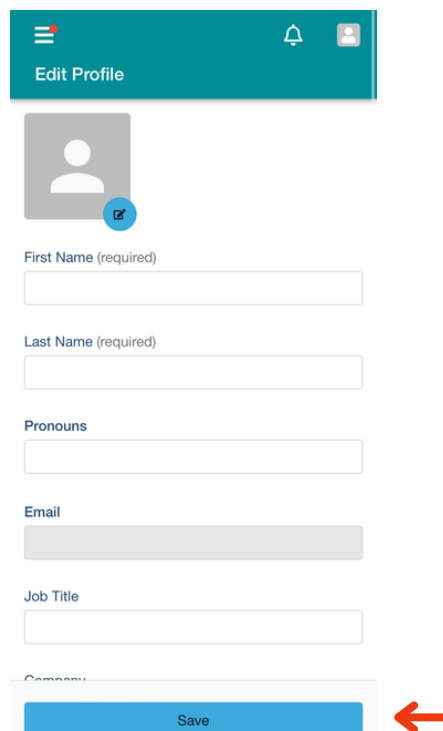

4. Enter your profile information.

A screenshot of the "Edit Profile" page. The page has a teal header with "Edit Profile" text. Below the header is a grey profile picture placeholder with a blue edit icon. The form contains the following fields: "First Name (required)" with a red border and a red error message "First name is required." below it; "Last Name (required)" with a red border and a red error message "Last name is required." below it; "Pronouns" with an empty text input; "Email" with a greyed-out text input; and "Job Title" with an empty text input. At the bottom is a blue "Save" button.

5. Click Save at the bottom of the profile page.
