

Active Grants in 2024 - Other Eligible Applicants

For Programs Administered by Local Government Program Services As of January 31, 2025

For the purpose of grant administration in 2024, other eligible applicants included legally incorporated society-run fire departments (that are in good standing), improvement districts, tribal councils, Indigenous organizations, emergency management organizations (created by a regional district service establishing bylaw), and Indigenous governing bodies. Please refer to the program guides for eligible applicants in each funding program or funding stream.

The grant amounts listed in this report represent approved amount for projects that are underway and the actual disbursed amount for projects that are completed. Where applicable, applications are noted as Pending until the confidentiality window has closed and/or Provincial announcements have been completed.
