

# Active Grants in 2024 - Local Government Applicants

## For Programs Administered by Local Government Program Services

### As of January 31, 2025

For the purpose of grant administration in 2024, local governments included municipalities, regional districts, the Islands Trust, and shíshálh Nation Government District. Please refer to the program guides for eligible applicants in each funding program or funding stream.

The grant amounts listed in this report represent approved amount for projects that are underway and the actual disbursed amount for projects that are completed. Where applicable, applications are noted as Pending until the confidentiality window has closed and/or Provincial announcements have been completed.
