

Regional Community to Community Program

2025/26 Program and Application Guide

Applications will be accepted for the Spring and Fall intakes using the [LGPS Online Application Tool](#). Funding permitting, there may be a Winter intake.

1. Introduction

In January 1997, the Union of British Columbia Municipalities (UBCM) and the First Nations Summit (FNS) jointly organized the first province-wide Community to Community (C2C) Forum. This event brought together First Nations and local governments from across BC to discuss common goals and opportunities for joint action. There was consensus among the participants that regional C2C Forums should be supported.

The provincial Ministry of Housing and Municipal Affairs and Indigenous Services Canada have provided funding for the C2C program. In this time, nearly 700 C2C Forums have been held in communities across the province.

Both BC and Canada have adopted the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), and BC adopted its own Declaration Act Action Plan in March 2022. The Truth and Reconciliation Commission of Canada released its Executive Summary of findings and 94 Calls to Action in 2015, including Call to Action 57, which asks all levels of governments to “provide education to public servants on the history of Aboriginal peoples, including the history and legacy of residential schools, the United Nations Declaration on the Rights of Indigenous Peoples, Treaties and Aboriginal rights, Indigenous law, and Aboriginal-Crown relations.”

Within these broader processes, the C2C program has taken on ever greater importance as First Nations and local governments use the grant to focus their increased efforts for reconciliation.

Regional C2C Grant Program

The goal of a Regional C2C program is increased understanding and improved overall relations between First Nations and local governments. The C2C program supports this goal with funding for:

1. Forums that support dialogue to build relationships, support reconciliation efforts, resolve issues of common responsibility, interest or concern, and/or to advance tangible outcomes. For more information on C2C forums, refer to [Appendix 1](#).
2. Development of agreements (such as protocols, MOUs, and service agreements), joint plans and/or strategies that advance First Nation/local government reconciliation and relationship building.
3. Joint review of bylaws and/or policies in order to develop recommendations for amendments or new bylaws and/or policies that advance reconciliation.

Table 1 provides examples of C2C forum and/or agreements.

To be eligible for funding, C2C activities must work toward one or more of the following objectives:

- Strengthening relationships and fostering future co-operative action by building stronger links between First Nation and local government elected officials and senior staff.
- Supporting local reconciliation efforts, UNDRIP, and shared capacity building.
- Developing or improving coordinated approaches to climate change emergency preparation, mitigation, response and recovery.

2. Eligible Applicants

Funding permitting, all local governments (municipalities, regional districts or the Islands Trust) and First Nations (Treaty First Nation, Band, Tribal Council or National Government) in BC are eligible to apply.

Eligible applicants can submit one application per intake.

3. Grant Maximum

The C2C program can contribute a 100% of the cost of eligible activities up to a maximum of \$20,000 as follows:

- C2C Forums: up to a maximum of \$10,000
- C2C Agreements and Joint Review of Bylaws/Policies: up to a maximum of \$10,000

In order to ensure transparency and accountability in the expenditure of public funds, all other contributions for eligible portions of the project must be declared and, depending on the total value, may

decrease the value of the funding. This includes any other grant funding and any revenue that is generated from activities that are funded by the C2C program.

4. Eligible Activities

In order to qualify for funding:

- Activities must be completed within one year from the date of grant approval.
- Willingness of the elected officials and/or senior staff of the partnering community to participate in the activities must be confirmed and provided in writing to UBCM.
- Activities must include direct participation by the elected officials and/or senior staff from both First Nation(s) and local government(s).
- The communities engaging in dialogue must be neighbouring. However, “neighbouring” may mean in the vicinity of, but not necessarily immediately adjacent to each other.

5. Requirements for Funding

As part of both the development of the application package and the delivery of the approved project, local governments are encouraged to engage with local First Nations and Indigenous organizations. Engagement by local governments, both locally and regionally, can help build relationships with First Nations, benefit both communities and enhance reconciliation. More information on engagement best practices is available [here](#).

As part of the Approval Agreement, approved applicants must agree to the following requirement for funding:

- Activities must comply with all applicable privacy legislation under the *Freedom of Information and Protection of Privacy Act* in relation to the collection, use, or disclosure of personal information while conducting funded activities. Personal information is any recorded information about an identifiable individual other than their business contact information. This includes information that can be used to identify an individual through association or inference.

6. Eligible and Ineligible Costs and Activities

Eligible Costs and Activities

Eligible costs are direct costs that are approved for funding, properly and reasonably incurred, and paid by the applicant to carry out eligible activities. Eligible costs can only be incurred from the date of application submission until the final report is submitted.

Table 2 identifies activities that are eligible for funding. Other activities that support the intent of the program may be considered for funding. Eligible activities must be cost-effective.

Table 2: Activities Eligible for Funding

Mileage estimates and calculations are required for vehicle travel • Completion of event minutes, reports, etc. including printing costs 	<ul style="list-style-type: none"> • Development of agreements (such as protocols, MOUs, and service agreements), joint plans and/or strategies that advance First Nation/local government reconciliation and relationship building • Joint review of bylaws and/or policies in order to develop recommendations for amendments or new bylaws and/or policies that advance reconciliation • Legal fees for review of agreements, joint plans and strategies and/or review of bylaw or policy recommendations • Data acquisition (as required for agreements, joint plans, etc.) • Design and/or graphics for agreements, joint plans or strategies

Additional Eligible Costs and Activities

The following expenditures are also eligible provided they relate directly to the eligible activities identified in Table 2:

Eligible expenses include wages/salary, mandatory employment related costs as required by federal or provincial law, and other employment related costs as required by the approved applicant.
- Consultant/contractor costs. Please note: if you intend to hire a qualified professional to support proposed activities, professional consultant rates will only be considered for activities that represent respective professions. For other activities (e.g., planning events) consultant rates are expected to be commensurate with the type of activity being undertaken.
- Identification/incorporation of community and cultural values. This includes seeking advice from Knowledge Holders, other experts (e.g., health authorities, First Nations Health Authority) and the community (e.g., equity-denied populations, Indigenous organizations, such as Friendship Centres and Métis Chartered Communities), Indigenous Nations and local governments, etc.
- Honoraria for cultural leaders, Elders, Indigenous knowledge keepers, and/or cultural keepers. Note: these honoraria should reflect the role of Indigenous Peoples as subject matter experts and be equitable to consultant rates.
- Costs related to local cultural protocols (e.g. gifts, ceremonies and/or cultural performances such as dancing or drumming). Please note: expenditures related to local cultural protocols are limited to no more than 10% of the total grant request
- Honoraria for equity-denied populations or service organizations that support equity-denied populations.

Ineligible Costs and Activities

Any activity that is not outlined above or is not directly connected to activities approved in the application by UBCM is not eligible for grant funding. This includes:

- Routine or ongoing operating costs or activities (e.g. heating, cooling and lighting, security, software or service subscriptions, or membership fees)
- Routine or ongoing planning costs or planning activities that are not incremental to the project
 - Alcohol
 - Travel within communities
 - Purchase of software or hardware

Submission of Applications

Applications are required to be submitted in two steps **prior to the application deadline**:

1. [LGPS Online Application Form](#): This online form must be completed for all applications to LGPS funding programs and includes questions that are common to all grant applications. When the LGPS Online Application Form is submitted, the applicant will receive an email confirmation including the file number that has been assigned to the application, and a copy of the Application Worksheet that must be completed as part of Step 2.
2. Application Worksheet: This worksheet contains questions that are specific to the funding stream and must be submitted by email to UBCM with all other required attachments.

Refer to [Appendix 2](#) for more information on the new process, application questions and the information that will be required to be submitted during each step.

Worksheets and required attachments should be submitted as Word, Excel or PDF files. Total file size for email attachments cannot exceed 20 MB. All materials should be submitted to Local Government Program Services, Union of BC Municipalities by e-mail: lgps@ubcm.ca

Review of Applications

UBCM will perform a preliminary review of applications to ensure the required application elements have been submitted and to ensure that eligibility criteria have been met. Only complete application packages will be reviewed.

UBCM and the First Nations Summit will then review all complete applications. All funding decisions will be made by UBCM.

All application materials will be shared with the Province of BC and First Nations Summit

8. Grant Management and Applicant Responsibilities

Please note that grants are awarded to eligible applicants only and, as such, the applicant is responsible for completion of the project as approved and for meeting reporting requirements.

Applicants are also responsible for proper fiscal management, including maintaining acceptable accounting records for the project. UBCM reserves the right to audit these records.

Notice of Funding Decision and Payments

All applicants will receive written notice of funding decisions. Approved applicants will receive an Approval Agreement, which will include the terms and conditions of any grant that is awarded, and that is required to be signed and returned to UBCM within 30 days.

Grants are awarded when the project is complete and the final reporting requirements have been met. An initial payment of up to 50% of the total approved grant amount can be issued upon request.

Please note that in cases where revisions are required to an application, or an application has been approved in principle only, the applicant has 30 days from the date of the written notice of the status of the application to complete the application requirements. Applications that are not completed within 30 days may be closed.

Changes to Approved Projects (Amendment Requests)

Approved grants are specific to the project as identified in the approved application, and grant funds are not transferable to other projects. Approval from UBCM will be required for any significant variation from the approved project. Generally speaking, this means funds cannot be transferred to an activity that was not included in the approved application or to a new or expanded location.

Approval from UBCM and/or the Screening Committee will be required for any variation from the approved project. Depending on the complexity of the proposed amendment, requests may take up to 60 days to review.

To propose changes to an approved project, applicants are required to submit the [Interim Report Form](#). If UBCM determines the amendment is eligible for consideration, applicants will be required to submit:

- Amended application package, including updated Application Worksheet, detailed budget (applicants are encouraged to use the [LGPS Budget and Financial Summary Tool](#)), and an updated Band Council, Treaty First Nation, Council, or Board resolution;
- Written rationale for proposed changes to activities and/or expenditures.

Applicants are responsible for any costs above the approved grant unless a revised application is submitted and approved prior to work being undertaken.

Length and Format

Event length and format are up to the applicant and attendees. In some cases, a day-long event may be preferred to allow participants sufficient time to meet each other and work together to generate ideas and plans for future activities and/or develop agreements. In situations where the participants do not know one another, an “ice-breaker” event, such as an introductory dinner or reception, may be useful.

Taking the forum out into the community can be a valuable way to learn about an area’s shared history. This could include a tour of traditional territories or joint visits to participant’s facilities, lands, buildings or infrastructure.

The C2C program can also support virtual events, however, the purchase of software or licenses are not eligible expenses.

Table 3: Sample Forum Budget

Organization and Facilitation

Experience has shown that a major challenge in organizing a C2C Forum is finding adequate staff time and resources. Many previous applicants have found that contracting the services of a professional facilitator/event organizer/contractor can assist in planning, convening and reporting on the forum, as well as the development and review of agreements.

Facilitators can also be very useful in helping communities talk about difficult issues, such as the history and legacy of residential schools or inter-generational trauma. In such events, hiring a facilitator with specific expertise in creating culturally safe spaces and dialogue may be of immense value.

Information on Event Budgets

A separate itemized budget for Forum(s) and/or Agreement(s) must be submitted with the application. Please submit the budget(s) in the same format as outlined in Table 3 and/or Table 4.

Budgets and proposed activities are approved as part of the application and any significant changes to a budget for Forum(s) and/or Agreement(s) activity must be approved before an activity can be completed. Applicants are responsible for any cost over-runs unless a revised budget is submitted and approved before an activity takes place.

Information on the Financial Summary

An itemized financial summary for Forum(s) and/or Agreement(s) must be submitted with the final report. Please submit the financial summary(ies) in the same format as outlined in Table 5 and/or Table 6.

Table 5: Sample Forum Financial Summary

Actual Expenditures	Budgeted	Actual
